Look for this:

- **Rev 3:** What the church of Laodicea thought they were
- **Rev 4:** Why the 24 elders claimed God was worthy of praise
- **Rev 5:** Why the Lamb was worthy to open the scroll's seals
- **Rev 6:** Why the martyrs under the throne were slain
- **Rev 7:** What the people did day and night in God's temple
- **Isaiah 6:** Compare Isaiah 6:2-3 to Revelation 4:8

Tips:

- Christ completes his evaluation of the churches providing both correction and encouragement (Rev 3).
- John is caught into God's presence in heaven. He sees the place of supreme authority and majesty, the heavenly Throne and the constant worship of God and the Lamb (holy, holy, holy).
- The first six seals bring God's wrath as conquest, war, famine, death, and earthquakes.
- The only ones who can withstand the wrath of God are those whom He has sealed.
