Look for this:

- **Romans 3:** Who is counted as righteous before God
- **Romans 4:** Why Abraham was counted righteous by God
- **Romans 5:** How God demonstrated His love for us
- **Romans 6:** What enables believers to escape their slavery to sin
- **Romans 7:** How believers have two natures which battle over sin
- **Genesis 15:** Compare Genesis 15:6 to Romans 4:3.

Tips:

- This section of Romans explains how the gospel saves the sinner, how God deals with our sin (Rom 3), how God provides salvation (Rom 4), how we can have a strong faith (Rom 5), how to keep growing in grace (Rom 6), and what happens when we sin (Rom 7).
- Notice how it seems that Paul is in a courtroom bringing the case against humanity. His point? All have sinned and fallen short of God's standard (Rom 3:23). However, after setting the "bad news," he offers the good news in Romans 6:23!
