

Tips:

- Notice that the pillar of cloud and fire moved unpredictably. The people had to be ready to move when it moved. Are you ready to move when God moves? Do you stay alert to God moving?
- Consider the errors of the 10 spies. They doubted God and discouraged God's people. What you say and do affects others. It's not just about you. Your doubt discourages others. Your belief encourages others.
- God provided Israel visible reminders of the importance of submitting to Him (Aaron's rod, the brass plates, the tassels on the robes). Believers today have His Word, the Holy Spirit, and the Lord's Supper to remind them of who God is and what He expects from them.
