
Leadership Principles from Exodus

Complaining (Engage Others)

We sing to the Lord when He does things we like. That's good. He deserves our praise and thanks ([Exo 15:12](#)). Unfortunately, it doesn't take much for people to stop praising and start complaining ([Exo 15:23-24](#)).

When people begin to complain, how do you respond as a leader?

- Do you avoid being one of the complainers?
- Do you cry out to God as Moses did ([Exo 15:25](#))?
