
Leadership Principles from Malachi

High Responsibility (Engage Others)

As a godly leader, your goal is to move people to embrace God's agenda [[Mal 1:6-14](#)]. In what way do you do that?

Leaders have a higher level of responsibility. God holds them accountable. Consider the ways that God holds you responsible. How well do you:

- Preserve the truth for people [[Mal 2:7](#)]?
- Stimulate people's appetite for spiritual growth [[Mal 2:7](#)]?
- Set an example worthy of following [[Mal 2:8](#)]?
- Maintain your credibility by following God's Word [[Mal 2:9](#)]?

Serving Attitude (Demonstrate Core Values)

White linen is a symbol of holiness and purity [[Luke 9:29](#)]. Gold purged of impurities is a symbol of righteousness [[Mal 3:3](#)]. How do you dress as a leader, spiritually? In your daily living, in what ways can you wrap yourself in white linen and gold? Are you hiding some area on your spiritual clothing that might be rusty or tattered? Make sure that you are the clean vessel that God desires!

What is your attitude in serving God [[Mal 3:13-15](#)]? Do you serve to get something from God or do you truly serve Him with gladness [[Psa 100:2](#)]?
